## *The Tree*

Our founder and president, Randall Moyer salvaged a young sprout of an oak tree as a teen and learned that nurturing and caring for something allowed it to have a healthy environment to grow. This lesson stuck with him as he began his journey of creating Moyer Specialty Foods LLC. The now 30 foot oak tree serves as a symbol of our company to always remember that lesson. At Moyer Specialty Foods LLC, we are rooted in faith, family, friendships, the local community, and the global community so that we may continue to grow.
