Please allow me to thank you for the opportunity and for taking the time to review my gourmet jerky product as a potential fit for your company. I know your time is valuable, so I will be brief. I would also like to take this opportunity to make a few points about my product as to why it is unique compared to most products on the market. Stollo's Beef Jerky equals...

- *No Preservatives or Additives*
- *Lowest in Sodium in the Jerky Market!!*
- *No MSG or Nitrates*
- *Minimally Processed*
- *Zero Sugar Content per serving!!*
- *Made with All Natural Beef*
- *We Guarantee More beef in every bite*
- *All our products are made from 100% USDA certified whole muscle beef*
- *We take pride in our product so much we put our name on it!*

We feel here at Stollo's Beef Jerky that our products deserve a little more attention than your average jerky in your local convenience stores. That is why we pride ourselves on being selective with who stands behind our products. **90% of jerky sold in stores today have very high sugar content along with a very high sodium content. Stollo's does not.** We want our products in front of people that care about what they spend their money on and care about what they feed their families.

Thank you or your time.

Sincerely,  
*Jerry Dresher*
